

Advance changes to the Standard Navy Distribution List
(OPNAVNOTE 5400).

Serial Change Number 852 for January 2000.

STATUS OF EDITIONS

1. The Edition of 17 December 1999 is the latest/current edition held by authorized recipients.

This Serial Change contains information on mail addresses which have been modified/deleted or added to the Standard Navy Distribution List during January 2000. Distribution is made principally to commands, bureaus and offices to provide mailrooms handling large volumes of mail with up-to-date information on mail addresses.

Serial Changes are published monthly for the purpose of updating mail listings, such as those maintained on addressograph plates or computers. Pen and ink changes in the printed editions can be made at the discretion of the recipients. As indicated above, Serial Change 852 for January 2000 is the current update and recipients of this Serial Change should take necessary updating action and retain this Serial Change until next Notice is issued. Unless otherwise indicated herein, all information contained in this change is effective at this time.

Advance changes to the Standard Navy Distribution List
(OPNAVNOTE 5400).

Serial Change Number 855 for April 2000.

STATUS OF EDITIONS

1. The Edition of 17 March 2000 is the latest/current edition held by authorized recipients.

This Serial Change contains information on mail addresses which have been modified/deleted or added to the Standard Navy Distribution List March 2000. Distribution is made principally to commands, bureaus and offices to provide mailrooms handling large volumes of mail with up-to-date information on mail addresses.

Serial Changes are published monthly for the purpose of updating mail listings, such as those maintained on addressograph plates or computers. Pen and ink changes in the printed editions can be made at the discretion of the recipients. As indicated above, Serial Change 855 for April 2000 is the current update and recipients of this Serial Change should take necessary updating action and retain this Serial Change until next Notice is issued. Unless otherwise indicated herein, all information contained in this change is effective at this time.

Advance changes to the Standard Navy Distribution List (OPNAVNOTE 5400).

Serial Change Number 856 for May 2000.

STATUS OF EDITIONS

1. The Edition of 17 March 2000 is the latest/current edition held by authorized recipients.

This Serial Change contains information on mail addresses which have been modified/deleted or added to the Standard Navy Distribution List during April 2000. Distribution is made principally to commands, bureaus and offices to provide mailrooms handling large volumes of mail with up-to-date information on mail addresses.

Serial Changes are published monthly for the purpose of updating mail listings, such as those maintained on addressograph plates or computers. Pen and ink changes in the printed editions can be made at the discretion of the recipients. As indicated above, Serial Change 856 for May 2000 is the current update and recipients of this Serial Change should take necessary updating action and retain this Serial Change until next Notice is issued.

Unless otherwise indicated herein, all information contained in this change is effective at this time.
